The Women's Leadership Circle conducts two meetings a year so members can hear the most recent news about our impact and how the group's efforts have contributed to our success.

WHO WE ARE

For nearly 50 years, the Boys & Girls Clubs of Greater St. Louis (BGCSTL) has been providing after school, summer, teen and sports programs for youth ages 6-18. The Club is a chartered member of the Boys & Girls Clubs of America (BGCA), which has 4,000 chartered locations that serve nearly 4 million youth annually.

The mission of the Boys & Girls Club of Greater St. Louis is to inspire and enable youth to realize their full potential as productive, responsible and caring citizens. BGCSTL serves members at seven locations and within five other elementary schools in the St. Louis region through our Mentor St. Louis program. And, we also operate our BE GREAT: Graduate program at Normandy and Roosevelt High Schools to help keep students on track to graduate.

The Clubs are open during hours that kids are most likely to need a safe place to go—after school and during summer.

We promote positive youth development by providing a safe and fun environment, targeted programming, and professional staff who focus on three priority outcomes for all children:

- 1. Academic Success**
- 2. Good Character and Citizenship**
- 3. Healthy Lifestyles.**

HOW WE HELP

The Club offers programs in five core areas that provide youth with the opportunities to develop life skills that improve their prospects for success.

- **Character and Leadership Development**
- **Education & Career Development**
- **Health & Life Skills**
- **The Arts**
- **Sports, Fitness and Recreation**

Young people come together with professional staff and caring adults in wholesome, life-changing experiences. We offer a wide variety of fun and engaging programs to help them develop the capacities they need to succeed.
