2017 PROGRAM HIGHLIGHTS

Campers Learn to Swim

In continuation of a national partnership dedicated to bringing water safety education to the communities that need it most, ZAC Foundation selected us to host its award-winning *ZAC Camp* for a 2nd year through its grant program. The program, named in honor of 6-year-old Zachary Archer Cohn who drowned as a result of being entrapped in the suction of a swimming pool drain, combines in-pool swimming lessons, safety classes with First Responders, and curriculum to teach families the importance of water safety. Over 100 five to nine year olds benefitted from the lessons!

Jayson Tatum partners with Clubs on Hurricane Relief Efforts

St. Louisan & NBA Boston Celtic, Jayson Tatum, partnered with our Club members to provide hurricane relief supplies to Clubs in Houston and Florida. In addition to producing a video with a call to action for Club members, families and community to rally together and donate supplies, he also agreed to spend the afternoon with the Club that collected the most supplies. The Riverview Gardens Club was victorious! Imo's Pizza also surprised members with exclusive, limited edition Jayson Tatum T-shirts in celebration of their efforts.

Music Studio Song Produced and Performed at Gala

Each year at the opening of the Great Futures Gala, Club members are excited to showcase their talents with the guests. This year, the featured production was a result of the BGCSTL Music Studio program – a partnership with Grammy Award-winning producer/songwriter Alonzo "Zo" Lee who shows the kids all aspects of the music industry. The process starts with planning and writing, and culminates with a beautiful performance of the Club member's music. Ferguson Club duo Danielle & Troy performed a song they co-wrote titled "Confidence", with Herbert Hoover members as backup during the event.

Lowe's Renovation Across the Nation

BGCSTL was selected as one of fifty Clubs – one in each state – selected to receive a \$50,000 grant through the Lowe's *Renovation Across the Nation* initiative. A total of \$2.5 million was awarded to make critical repairs, improvements and refurbishments to Club buildings around the country. Funds locally were used to enhance and improve the pool area at the Herbert Hoover Club and included plumbing repairs, resurfacing the pool deck and seating area, new hand rails, benches and electrical repairs.

Teens Safe Driving

We are extremely grateful to UPS Foundation for addressing the issue of distracted driving for teens with their Road Code program. Over 200 teens from our Clubs have been able to experience this life-saving initiative that helps them make smart decisions on the road. In Missouri alone, 80% of car crashes involve distracted driving; Missourians younger than 25 make up 30% of those fatalities. UPS Road Code equips our teens with the education needed to avoid life altering situations. UPS has recognized us as one of the best at executing the program nationwide and awarded us \$1000 for being the first Boys & Girls Club in their west region to have 100 teens graduate from the program.

Indoor Rock Climbing Wall at Herbert Hoover Club

Thanks to the generous donations from Climb So iLL, So iLL Holds, Eldorado Wall Company and YoGoGirls, BGCSTL unveiled a new indoor rock climbing wall at the Herbert Hoover Club. The 30 ft. wall was part of the "Let's Make a Move" initiative spearheaded by founder Kevin Jorgeson to express his passion for changing lives through climbing education. "I believe that every person deserves the opportunity to climb. Climbing has changed my life and I believe it will make a strong impact in the lives of others as well. Our global mission is to introduce 100,000 kids to rock climbing." This is Kevin's second climbing wall installation with his first project at the Boys and Girls Club in Sonoma Valley, CA.

Joan Silber Award for Volunteerism & Leadership

For the second year in a row, Herbert Hoover Club member Jennifer Sanford, won the annual Joan Ellyn Silber Award for Volunteerism and Leadership as well as a \$1,000 college scholarship. Dr. Silber's brother and sister-in-law established the award to celebrate her being one of the organization's most dedicated board members and supporters.

St. Louis Zoo Preps Teens for Work Force

Thanks to an ongoing partnership with the St. Louis Zoo, twenty BGCSTL teen members from six Clubs now have their first job. Through this youth employment program, members who completed the Club's Junior Staff training were able to participate in Zoo-led workshops preparing them with career readiness skills. Club staff conduct regular check-ins with members and the zoo assigned mentors to call participants to ensure success in the workplace. The St. Louis Zoo employment based program is now in its sixth year.

Members Beautify Their Area

Adams Park Club teens assisted local artist Grace McCammond in the restoration, painting and ribbon cutting of the new St. Louis Wall of Fame in their community. The mural depicts some of St. Louis' iconic Black artists and historical figures. Members spent four days painting the replacement of the mural on the west wall of The Gramophone. Each teen received a t-shirt with the mural screen printed on the front courtesy of CQ3 Custom Designs.

2017 BGCSTL HIGHLIGHTS

Now Serving Youth at Hazelwood East High

Thanks to a 21st Century Community Learning Center grant, we began serving teens at Hazelwood East High School. The after school and summer program serves rising 9th-12th graders and offers a wide range of high energy activities designed to improve student academic achievement and address the multiple needs and interests of teens and families. Members of the program receive homework assistance, access to a social worker and guidance counselor, college and career prep, tutoring, ACT prep, engage in sports and music activities and more.

Maryville Invests in Club Youth

Special thanks to Maryville University for their continued partnership with us to provide Club members, grades 5-12, with the foundation, tools, and resources they need to be successful in their post-secondary endeavors - whether it be attending a college or university, enrolling in trade school, joining the United States military, or entering the workforce. The partnership also includes career panels, cultural conversations, the Maryville Student Experience where Club Juniors and Seniors enjoy a full immersion into the college life experience, working with Maryville Life Coaches, taking classes and staying in the dorms. Last year's overnight program was such a success it resulted in two of our Club seniors loving Maryville so much they applied and were awarded full ride scholarships!

Friends of the Club Mentor Teens

The BGCSTL young professionals group, Friends of the Club partnered with staff to facilitate professional development sessions during the Youth of the Year process as well as served as mentors for the teen participants. They led sessions on essay writing, personal branding, public speaking and interviewing skills to prep them for their presentations. The partnership worked out so well that the Friends have agreed to continue their commitment to the Youth of the Year process.

Alumni Hall of Honor Inductees

Six alumni are now members of the BGCSTL Hall of Honor – Jerome Tomlin, Grace Conner, Lorenzo Baylor Sr., Susan Jones, Byron Price & Jordan "Shorty da Prince" Johnson. Each year during the Annual Recognition event where staff, board members, volunteers and supporters are acknowledged and celebrated for their commitment to our Club children, a new class of inductees is honored. The Hall of Honor recognizes outstanding alumni for achievements in their respective fields, commitment to leadership, serving our community's youth, contributions to the St. Louis community and for living out the mission of the Boys & Girls Club.

Table for Four

Co-chairs Adella Jones (Centene Corporation) and May Scheve Reardon (Missouri Lottery), committee members, sponsors and 300 guests attending Table for Four raised a record breaking \$60,000 for girls programming! Funds from the annual event help ensure that our girls and young women develop healthy lifestyles, positive self-esteem, and sound decision-making skills.

2017 EVENT HIGHLIGHTS

Golf at Busch Stadium

The annual Jim Butler Golf Tournament took on a special spin in honor of the Club's 50th anniversary celebration. In addition to the traditional day of golfing, an evening of dinner, auction and golf at Busch Stadium were added to the line up! It was the first time in the stadium's history that golfers were able to hit balls onto the field. Thanks to the sponsors, supporters, guests and committee over \$277,000 was raised to support Club health programs.

Women's Group Outfits Teen Girls

For the second year in a row, the Women's Leadership Circle held its Annual Sip & Shop event to support outfitting Club teen girls. Each holiday season the event is held at the Vault Resale Shop and attracts lots of ladies committed to making sure our teen girls step out in style. As a result of the event the 2017 Youth of the Year candidates were able to choose two outfits for the competition and Great Futures Gala. The Women's Leadership Circle serves to connect area women business and community leaders to the mission and vision of BGCSTL, and gives them a platform to positively impact the lives of children.

Friends of the Club Casino Night

The Club's annual "friendraiser" hosted by the young professionals group, Friends of the Club, raised nearly \$29,000. Attendees enjoyed a night of casino games, entertainment, dancing and a view overlooking the City all in hopes to attract more "friends", encourage a spirit of giving amongst millennials and generate awareness about the impact the group makes on members' lives.

Gala Celebrates Anniversary

Over 700 guests, sponsors and friends attended the annual Great Futures Gala to celebrate our fifty years of service to St. Louis youth! The evening included performances by Club members, alumni participation, an auction and celebratory video reflecting on the many lives the Club has impacted. The highlight of the evening was the crowning of the 2018 Youth of the Year! Honorary Co-chairs for the event were David & Thelma Steward and event Co-chairs: John & Karen Meara; Vanessa Cooksey; and, Dave & Penny Queller. Nearly \$576,000 was raised for Club programs.

2017 YOUTH OF THE YEAR JALISA WINES

As the 2017 Youth of the Year, JaLisa Wines is living proof that great futures really do start at Boys & Girls Clubs. Selected among several local outstanding youth, 18-year old JaLisa is a true example of an extraordinary young woman recognition for her leadership, service, academic excellence and dedication to live a healthy lifestyle. She is a graduate of Confluence Preparatory Academy and is now a sophomore at Truman State University majoring in Accounting. The Youth of the Year program honors our nation's most awe-inspiring young people on their path to great futures and encourages all kids to lead, succeed and inspire.

"The Boys & Girls Club helped me realize my full potential at a young age. Michaelmonique Mayo is our 2018 Youth of the Year! As the new Youth of the Year and ambassador for BGCSTL, this 17 year old Club member is a true example of the mission of our work. Being named Youth of the Year is the highest honor a Boys & Girls Club member can receive and a signature youth recognition program that celebrates the recipient's contributions to their family, school, community, and Boys & Girls Club. In recognition of her achievements, Michaelmonique was awarded the inaugural Wanda and Michael DeHaven Boys & Girls Clubs Youth of the Year scholarship in the amount of \$5,000, and recieved a Honda Accord courtesy of Frank Leta Automotive Group, also a first for the Club's Youth of the Year! During her speech at the Great Futures Gala & 50th anniversary celebration, Mayo reflected on having to live out of a car earlier in her life - but now she is excited to own one!

Now that she's won the honor, Michaelmonique says, "I want to motivate youth to achieve their goals as well as encourage and set up programs for youth living in poverty." She graduated from Roosevelt High School and is attending Maryville University on a full ride scholarship with plans to major in Photo Journalism.

Dr. Gralon Johnson

Herbert Hoover Club Member

Great Future: University
Innovation Alliance (UIA)
Fellow at Iowa State University

"Moreover, the Club experience – and the incredibly compassionate and committed staff – transformed the trajectory of possibilities for us. The Club leadership was well versed on the contextual factors we faced; we were 12 children whose parents had never crossed a high school stage. We lived in one of the most perilous and impoverished areas of St. Louis. We experienced bouts of homelessness, and even resided in a one-room motel for several years. Notwithstanding these factors and narratives that suggested we were disposable, the Club lived up to its creed and helped us to imagine a fundamentally different future for ourselves."

Rolando Barry

Herbert Hoover Boys Club Member

Great Future: Founding Director
at Missouri High Steppers
Drill Team

"I spent every moment possible at the Herbert Hoover Boys Club while growing up. It was a safe place that provided the structure and values I live by today. Overall, the staff and Mothers Club's "tough love" philosophy was instrumental in my mental development. One of my fondest memories is working in the Photo Lab and participating on the High Steppers team – both of which are now influencing my life. I have a love of photography and the founder of a youth drill team."

Brittany Dodson

Herbert Hoover Club Member

Great Future: Assistant
Women's Basketball Coach
at Morgan State University

"Herbert Hoover Boys & Girls Club was the start of my success in athletics. I started cheerleading and eventually played basketball because it was offered at the Club. The Boys & Girls Club was a safe place for my siblings and I to foster leadership and team skills while competing. I attribute a lot of my success to the accessibility of the Club in my community."

Grace Conner

Herbert Hoover Club Member

Great Future:
Educator
Saint Louis Public Schools

"I started as a volunteer at the Club to fulfill my community service requirement for graduation and little did I know how my life would flourish because of the opportunities and experiences I received! As a Club member I had a job as a junior staff member, received a Johnny Londoff scholarship to help with college. After college graduation I returned home, completed my studies (Cum Laude) at Harris Stowe State University and returned to the Club as a staff member. My memories of the Club include: my first time leaving the state without my family, my first plane ride, my first conference, my first job, my first leadership role, my first CPR certification and my first scholarship. The Club always provided the sense of individuality that was hard to come by as the youngest of 7. I gained lifelong skills and friendships with the Club. And, now my son is a Club member too!"

Lemont Livingston

Herbert Hoover Club Member

Great Future: Electrical
Engineer at Hunter
Engineering

"The Club was an integral part of my childhood, part of my village that raised me as a child and enabled me to become a responsible adult. I credit the Club's coaches, mentors, and staff for molding my character, and for helping to lay the foundation for what it means to be a teammate, friend, father, and husband. The most memorable moment for me was winning the 2001 Youth of the Year honor where I got to share the stage with football legend and Hall of Famer Marshall Faulk."

#1 RANKED YOUTH ORGANIZATION

THE CHRONICLE OF
PHILANTHROPY

Boys & Girls Clubs of Greater St. Louis is proud to be one of the United Way's Strategic Investment Partners. By providing safe and positive Club locations where youth can learn and grow after school and throughout the summer, we are helping youth graduate from high school ready for post-secondary education and entry into the workforce. Thanks to United Way's investment, we are changing the odds for children and families in the metro area by developing tomorrow's talent.

A TOP U.S. CHARITY IN COST EFFECTIVE USE OF DONOR DOLLAR\$

Charity Navigator is America's largest independent charity evaluator that provides the public with ratings of the Financial Health and Accountability & Transparency of thousands of nonprofits nationwide. They offer donors the information they need to navigate their giving decisions effectively. We are proud to announce that in 2017, Boys & Girls Clubs of Greater St. Louis received a 4-star rating from Charity Navigator acknowledging and celebrating our organization's commitment to industry best practices. Only 3% of charities evaluated by the rating service receive at least four consecutive 4-star designations, indicating that BGCSTL outperforms 97% of charities in America.
