

# 2020 ANNUAL REPORT

# MESSAGE FROM OUR LEADERSHIP

*BGCSTL President Dr. Flint Fowler & 2020 Board Chair Larry Parres*

The COVID-19 pandemic has produced unprecedented times for our country and Boys & Girls Clubs are not immune to its devastating impact. Although 2020 was an unusual year for us all, we remain thankful to our partners and funders for being flexible. In recognizing the times we are in they continued to ensure resources were in place that allowed us to operate and serve our youth. We are also grateful to our families for their patience as we quickly and thoughtfully pivoted our service delivery to a format that accommodated and considered all. This included virtual programs delivered by video, daytime support, virtual learning hubs, virtual mentoring, access to BGCSTL social workers, sharing of community food resources and more.

As we continue to plan for days ahead, safety protocols continue to be in place to protect members, staff and families. This includes, having a Green Team in place to conduct health screenings and touch sanitizing after each program period, electrostatic backpack sprayers to assist with sanitization, and Air Scrubbers that remove and clean air within a given space six times in one hour. There are also screening kiosks at the front of each Club that measure temperatures and conduct contact tracing. We are proud to report that zero cases of COVID-19 originated from our organization in 2020.

I am pleased to share a few more of the activities that made 2020 one of most memorable in the history of Boys & Girls Clubs of Greater St. Louis.

# WHAT'S OUR PURPOSE?

## MISSION

The mission of the Boys & Girls Clubs of Greater St. Louis (BGCSTL) is to inspire and enable all young people, especially those who need us most, to reach their full potential as productive, responsible and caring citizens. Boys & Girls Clubs of Greater St. Louis is the most trusted leader in shaping the lives of youth and building their futures.

## VISION

## CORE BELIEFS

*Every child has value*

*All children can succeed*

*Children need a safe place to grow and learn*

*We make a positive difference in a child's life*

*Children benefit from healthy, ongoing relationships with their peers and caring adults*

## 2020 HIGHLIGHTS AT A GLANCE:

Hats off to all of our supporters who stood alongside us during the challenges of 2020. Thanks to their incredible generosity, over **\$6.2 million was raised** to deliver the life-changing programs and services of the BGCSTL

Over **\$550,000 in Covid relief grants** were secured to help keep our blue doors of hope open for the over 10,800 children and teens we serve

The Federal Department of Health & Human Services renewed our **\$400,000 Fit and Fun grant** aimed at providing safe, touch-free, interactive play

A very thoughtful and generous Heritage Club donor included us in their estate plan which resulted in a **\$400,000 legacy gift**

In partnership with **ARCHS** (Area Resources for Community and Human Services), BGCSTL joined the launch of the Neighborhood Healing Network (NHN), a trauma-informed care service designed to improve the educational, economic, and health outcomes for the St. Louis community

**Table for Four** transformed into one of the nation's first virtual events, streaming live from our Teen Center of Excellence stage and featuring international keynote speaker and former National BGCA Youth of the Year Winner, Mona Dixon

Despite rain, lightning and the Covid-19 pandemic, the

community rallied for our Club kids at **Jim Butler's Charity Golf Classic**. The event successfully raised nearly \$290,000 to support programs focused on our three priority outcome areas of Academic Success, Good Character & Citizenship, and Healthy Lifestyles.

Our **Great Futures Gala** moved to a virtual format as well as an in-person-under-the-stars event, taking on a fun, 70's drive-in vibe as guests joined with emcee, Rene Knott, to cheer on our Youth of the Year finalists. Almost \$470,000 of essential funds was raised to move our important mission forward for local children and teens

High school senior, Ja'Niyah Banks, was named our 2021 **Youth of the Year** winner. Embodying the mission of BGCSTL, Ja'Niyah was awarded the Wanda and Michael DeHaven \$5,000 scholarship, a \$4,000 renewable scholarship from Missouri State University, a celebratory dinner at the Saint Louis Club and a car from Frank Leta Automotive Group

From March 30 - June 13, 2020 our virtual programs videos **reached over 98,000 people** across all BGCSTL social media channels!!! This means they viewed, shared, clicked on, engaged with or saw the videos in their news feeds

Our media partners continued to promote our programs, events and successes in 2020! Media attention/coverage for the year included over 341 stories, **reaching an audience of over 100,429,592** and a publicity value of \$2.68 million

2020 Youth of the Year: JaNiyah Banks

Finalized the merger with the **St. Louis Internship Program**, a seasoned workforce development program, where 195 BGCSTL members obtained job readiness skills through multiple weekly workforce development/job training sessions throughout the year; 122 applied for jobs/internships and obtained employment; 57 interns completed summer internships (97%); 51 participants completed summer employment through the Career Accelerators Program (CAP); 5 members successfully obtained employment at the St. Louis Zoo; 9 members successfully obtained employment at Old Navy; 59 out of 60 SLIP seniors graduated high school (98%); and, 53 SLIP interns participated in STLCC dual enrollment and earned up to four transferrable college credits

Retained **Mentor St. Louis volunteers** during the COVID pandemic to continue impacting students virtually this academic year

The Teen Center of Excellence hosted the **National Hockey League** on a two day event honoring the All Star game. Festivities included a Street ball hockey tournament with the Club teens and the NHL Black Hockey History Truck parked at the site for visitors. This mobile museum celebrates today's stars and looks back at trailblazers who made history.

Once again BGCSTL was selected as one of the top Clubs in the country to implement the **UPS Road Code** teen safe

driving program

Inducted six new former Club members into the BGCSTL **Alumni Hall of Honor** and celebrated staff, board members, volunteers and supporters for their commitment to our Club children with a virtual and in person Annual Recognition Event.

The U.S. Environmental Protection Agency (EPA) announced the Carter Carburetor superfund site cleanup completion and **transferred ownership to BGCSTL** to facilitate the construction of a golf activity center for youth

In late October, BGCSTL announced it had combined with the **Boys & Girls Clubs of Bethalto**, which has two locations in Illinois and, as of January 2021 has welcomed Mathews-Dickey to the BGCSTL family. The organization will now be one of the region's largest youth development agencies serving more than 10,800 kids and teens annually. In addition, the expanded organization will produce better outcomes for all members, extend opportunities for staff professional growth and development, and boost fundraising.

# FACING DOWN A PANDEMIC

For more than 50 years, Boys & Girls Clubs of Greater St. Louis, with a sense of purpose and agency, has navigated times of tragedy and crisis to provide safe places for kids and teens.

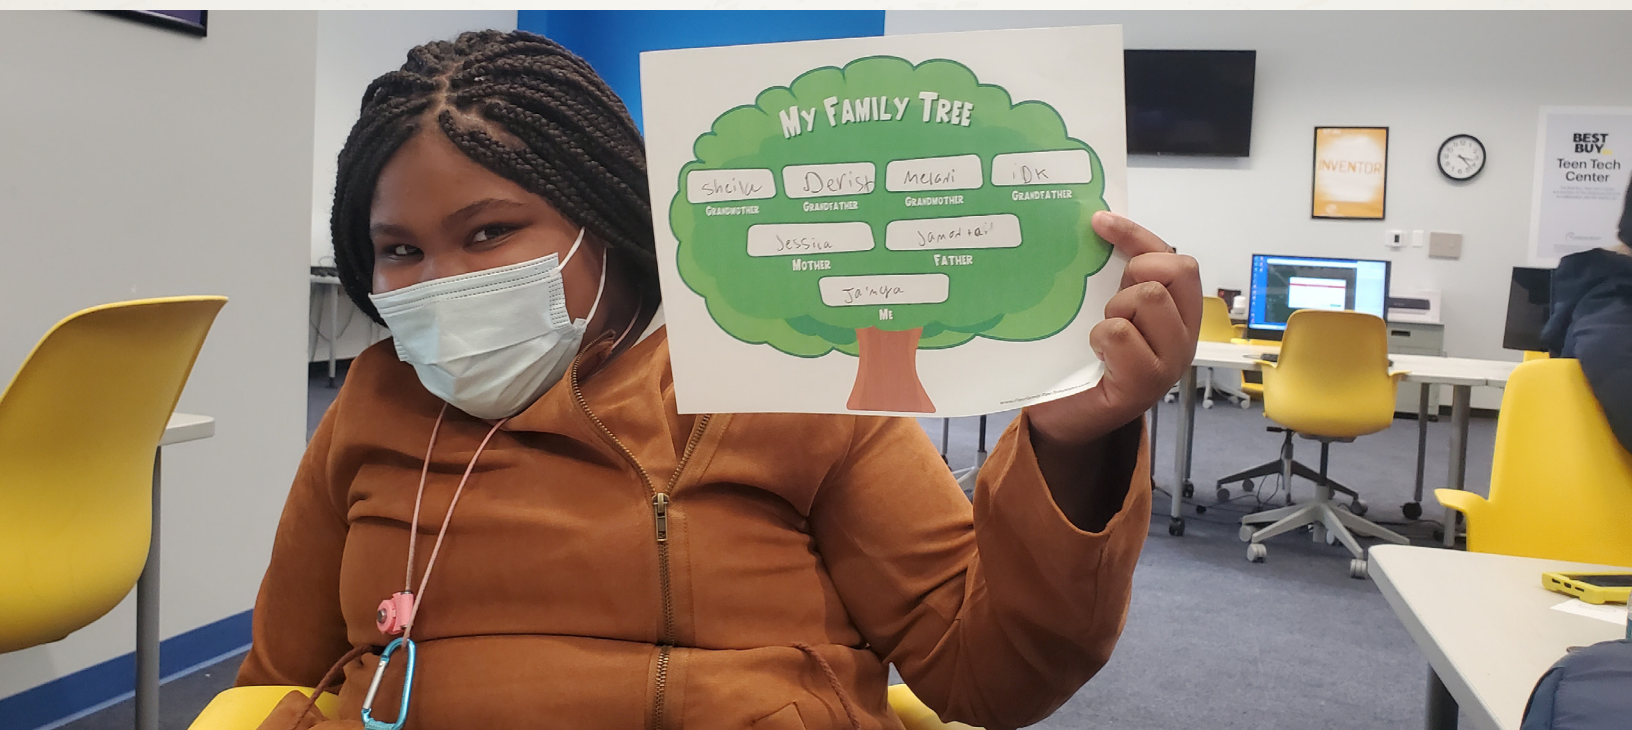

Within 24 hours of BGCSTL facilities closing mid-March of 2020 at the recommendation of the Center for Disease Control, World Health Organization, and Federal, State, and Local governments, BGCSTL's Program Team implemented protocols to support staff, youth and their families in a time of crisis. Given the Club maintains up-to-date contact information, this allowed staff to begin immediately checking in with Club families via phone calls.

Through on-demand video postings, social media streams and live on-line meetings, we sought to maintain continuity and connection. Young people took part in virtual activities and cooking lessons; tutoring, dance battles, pop culture and social issues discussions; and presentations on financial literacy, career exploration, empowerment and racial justice.

In June of 2020, BGCSTL re-opened and provided in-person and virtual summer camp experiences to support working families and the community. Youth participated in fun learning and enrichment activities, as well as service learning efforts that included creating personalized thank you notes for front-line workers.

When it became clear that school closures would last longer than expected, the Club made addressing COVID-19 learning loss a top priority. In the fall we opened as virtual learning centers offering school day support, spaces in which young people participated in school on-line in a safe, conducive, supportive environment. Our dedicated staff members have worked tirelessly to help our youth members fight learning loss. We've created learning hubs where students have their own socially distanced space to learn. Our Program Leaders are there to offer tech support, assist with daily assignments, and sit with kids during their classes to help them stay focused. Having supportive staff by their side has helped youth stay engaged in their studies and provide a human connection they can rely on in a mostly virtual day.

Although we believe the end of this pandemic is in sight, our efforts to mitigate COVID-19 learning loss and increase school and human connection for our youth has not stopped. The Boys & Girls Clubs of Greater St. Louis will continue to rise to the challenge and innovate to ensure no young people are left behind.
