## BOYS & GIRLS CLUBS OF GREATER ST. LOUIS

## *Message From Our Leadership*

BGCSTL President Dr. Flint Fowler & 2021 Board Chair Mark Bulanda

Over the last few years, our nation has faced uncertainty and fear, as we grappled with the pandemic and the impact it was having on all of us. As a youth development organization, we surmised that the well-being of our kids was at stake as long as this public health crisis continued. We stepped up to the plate for our members, families and communities in Missouri and Illinois by keeping our Club doors open to serve their needs!

We have the honor of witnessing the difference the Clubs make in the lives of children and teens everyday. With safety as our top priority, we opened our doors after school and during the summer to give young people access to a myriad of life-changing programs, services and opportunities. With the help and support of our generous donors, volunteers, staff and friends, activities continue and lives were positively impacted!

# What's Our Purpose?

## Mission »

The mission of the Boys & Girls Clubs of Greater St. Louis (BGCSTL) is to inspire and enable all young people, especially those who need us most, to reach their full potential as productive, responsible and caring citizens. Boys & Girls Clubs of Greater St. Louis is the most trusted leader in shaping the lives of youth and building their futures.

## Vision »

For more than 50 years, the Boys & Girls Clubs of Greater St. Louis (BGCSTL), a leading youth service provider in the St. Louis region, has been providing after school, summer, teen and sports programs for youth ages 6-18. The Clubs are open during hours that kids are most likely to need a safe place to go — after school and during summer.

## Core Beliefs »

Every child has value  
All children can succeed  
Children need a safe place to grow and learn  
We make a positive difference in a child's life  
Children benefit from healthy, ongoing relationships with their peers and caring adults

## ST. LOUIS INTERNSHIP PROGRAM

# Celebrates 30 Years!

### St. Louis Internship Program Celebrates 30 Years – Over 4,200 Interns Served!

In 2020, BGCSTL finalized its merger with the St. Louis Internship Program (SLIP), a seasoned workforce development program in the St. Louis area. For nearly 30 years, SLIP has provided results-oriented career and college readiness experiences for area youth. SLIP's goal is to provide hope and opportunity for high school students through paid summer internships, intensive employability training, and year-round college and career planning. SLIP works in partnership with businesses and community organizations, to build the St. Louis community by developing motivated, well-trained, and talented youth for the workforce.

Leading St. Louis business partners who have participated in the program include Emerson, Polsinelli PC, Cushman & Wakefield, Lashly & Baer, RubinBrown, SM Wilson, Bar Association of Metropolitan St. Louis, Thompson Coburn, Metropolitan St. Louis Sewer District, Armstrong Teasdale and Armanino.

Mark Levison is an attorney with Lashley & Baer PC, a member of the Board of Directors for BGCSTL, and a founding Board member of the St. Louis Internship Program. He commented, "Over thirty years ago I got together with Tim Hullverson and several other lawyers with the idea to equip over 50 students with paid internships. We were able to hire and outfit 52 students and today the program has spread to over 37 different cities and we've served over 4,200!"

Dr. Flint Fowler, Boys & Girls Clubs of Greater St. Louis president says of the anniversary, "I am excited to celebrate the 30th anniversary of the St. Louis Internship Program. Career readiness and youth employment are critical components of our youth development process. We are fortunate to have this proven program as part of the Boys & Girls Clubs operation."

*Deionna Ferguson, Associate at Polsinelli and SLIP Alum, attributed her career success to the program, saying, "SLIP has truly been my pipeline to success. SLIP not only exposed me to the legal field by allowing me to intern with a law firm in the area, but they also provided me with useful life skills such as networking, professional etiquette and interview skills. When preparing for college, SLIP allowed me to receive specialized tutoring for the ACT test and even allowed me to complete a second internship in my field of study, psychology. SLIP has always been there for me and ensured that I had all the tools I needed to be successful. I truly would not be the attorney that I am today had it not been for the exposure and training I received from the St. Louis Internship Program."*
