## OUR MISSION

### Enabling young people to realize their full potential

The Boys & Girls Clubs of Greater St. Louis enables all young people, especially those who need us most, to realize their full potential as productive, caring, responsible citizens.

*Through safe spaces, trained mentors, and proven programs, we help kids and teens build the academic, character, and life skills they need to thrive — every day after school, all summer long.*

## WHERE WE SERVE

The Clubs serve youth across the region at six locations including Adams Park Club, Bethalto Club, Hazelwood Elementary Club, Herbert Hoover Club, Mathews-Dickey Club and the Teen Center of Excellence. We also operate Mentor St. Louis and the St. Louis Internship Program.
