What is the St. Louis Internship Program?

An opportunity for high school sophomores and juniors to participate in job readiness training and earn wages in an eight-week summer internship. Once the internships conclude, students participate in year-round career development activities. All internships and year-round activities have resulted in an over **98% graduation rate since 1992.**

Training & Development Component

All participants in SLIP are required to complete the Training & Development Component. Ten sessions will be scheduled on select Saturdays from February through May. Topics will include Dress for Success, Resume Writing, Mock Interviews, Communications and Financial Management, etc. As part of training, students will have the opportunity to earn a number of transferable college credits in a few different classes, including oral communications and a college success course (if available).

SLIP Requirements for Student Participation

- Required to successfully complete a virtual interview before training.
- Must pass all high school courses as students attending summer school may not receive a summer internship.
- Expected to follow all Program guidelines and complete all assignments.
- Expected to receive satisfactory performance reviews during training.

Complete your application package by fulfilling the following requirements:

- Completed Online Application
- Copy of High School Transcript (report cards are not accepted)
- 2 Letters of Recommendation (Teacher/Principal/Counselor/Community Volunteer)
- Social Security Card and Birth Certificate
- 300 Word Personal Statement (see application for topics—only select one)

Year-Round Educational & Career Development Activities

Students will be engaged throughout the school year (after the internships) in college readiness activities such as college visits, ACT prep classes, FAFSA completion workshop, and scholarship notifications. Additional career development activities may be available in various career pathways (i.e. Entrepreneurship, Medicine, Pharmacy, Architecture, etc.).

Summer Internships - Dates: June 7-July 30, 2027

Rate of Pay: A minimum of \$15.00/hour

Interns will have varied work experiences such as: administrative tasks, making copies, data processing, sorting mail, filing and answering phones; researching business information and creating reports with the information gathered; or providing laboratory support to medical staff in a hospital. Most positions are from 8AM - 5PM (Mon - Fri) for the summer program. Interns are required to work every day during their internship and will be issued a professional uniform. Interns are expected to receive satisfactory performance reviews during their entire summer internship experience.
